

*Please Join Rare New England and NextStep  
for an event for teens and young adults affected by  
rare and complex disorders!*

**When: November 10, 2018**  
**Where: Cambrooke Therapeutics**  
**4 Copeland Dr.**  
**Ayer Ma, 01432**  
**Time: 8:30-5:30**

**Teen Event Agenda**

8:00 to 8:30 Registration and Continental Breakfast

8:30 to 9:00 A warm Hello!

9:00 to 10:15 Workshop 1

“Hey Hi!”

Short get-to-know-you games and mayhem. Fun easy ways to remember names and have fun. Of course, there will be music!

10:15 to 10:30 Break

10:30 to 11:30 Free Time Fun (for foosball, air hockey, basketball, hanging out, etc.)

11:45 to 12:15 Breakout sessions (pick one session)

Session 1 ketogenic test kitchen- Rebecca Jennings, RD

Session 2 clinical trial- John Campbell

12:15 to 1:15 Lunch

1:15 to 3:00 Workshop 2

“Manifest Your Destiny”

Let’s make a map of where you’ve been, where you want to go and some goals to get you there. It’s way more fun than it sounds ;)

3:00 to 3:15 Break

3:15 to 4:15 Games/free time (Quita will be on the panel to talk about Next Step in the adult conference)

4:15 to 5:00 Wrap up and Closing thoughts

5:00 to 5:30 “What’s Next for RNE” and Closing

\*Note: although all seen here is confirmed, please check back for any additions and/or any time changes!
